Ongoing Business

1. Anna Bays Recap:

Comments from Tammy: Drawbacks were camping – lack of showers and distance and stalls. Facility was beautiful, and she will attend again,

Jennifer: feedback loved footing, to far from stall/trailer. Didn't like distance. Difficult to give horses breaks, get food etc.

Maintenace team had positive feedback about our club members, how nice, cleaned up, etc. Possibility to do our show after their show. Consider holding our first show early in June, then another at the end of summer.

Should we decide to hold show at FlintFields, Shelly would like to work on the marketing.

Survey to be mailed to members for club feedback.

Pattern packets: Complaints from members regarding patterns not being used after paying for them

2. 2010 Tack Sale: WEx under new management. Jennifer will contact about complaints last year. They are looking for a contract.

Tammy: Wanted to be a vendoe and would prefer it be a 1-day event. Deb Cochran also prefers 1-day event. Jennifer will take the lead on the tack sale again. Feb. 27th.

3. Awards Banquet/Budget

At Wild Pony again. Budget to be approx. 4000. May adjust down depending on amount of qualified riders

Tammy: embroidery on sheets to small. Place in Falmouth does nice work, fee is 14.00 for sheet. Check date of Gaylord club banquet. To avoid duplication. Looking for photos for slideshow.
